AWA DATA TRANSCRIPTS: LABELING & PRODUCT DECORATION MARKETS AND MATERIALS

AWA Data Transcripts: Labeling & Product Decoration Markets & Materials monitors and reports on trends, developments, and industry statistics across the entire field – from self-adhesive and wet-glue labels through flexible packaging and in-mold labeling to cartons, direct-to-container print, and 3D print. The service will review all aspects of materials, print and application technologies, forming and finishing, end-use markets, M&A, and environmental initiatives.

AWA Data Transcripts: Labeling & Product Decoration Markets & Materials is published every month. It is available for an annual fee on a subscription basis as a single user or a corporate license, and is sent as a pdf via email.

Also available:

- AWA Data Transcripts Self-adhesive and Release Liner Markets and Materials
- AWA Data Transcripts Flexible Packaging Markets and Materials
