YEARBOOK

2017/2018

Global Industry Review

Medium Density Fiberboard • Fiberboard • Particleboard

MDF Yearbook 2017/2018

MDF Yearbook is an annual technical, marketing & management review.

The MDF Yearbook has been published by Data Transcripts Ltd for years. AWA Alexander Watson Associates has bought the MDF business operation from Data Transcripts, this includes publication of the MDF yearbook.

The **MDF Yearbook** provides comprehensive global industry statistics and technology and equipment-based information. Since 2013-2014, the YEARBOOK has included Global MDF/HDF/LDF and PB company producer capacity listings, which are based on all known producer companies on a global, regional and sub-regional scale. This provides a clear comparison of individual company involvement in MDF and PB panels production.

Whatever your level of interest in the subject industry, the yearbook will provide you with a detailed and current update and presentation of the facts, allied to industry progress and change on an annual scale.

Publication and Cost

MDF Yearbook 2017/2018 was published in September 2018.

The cost for a single user license PDF is €2,800/US\$3,300

The cost for a corporate site license PDF is €3,360/US\$3,960

A corporate user license enables you to copy and paste from the report and to share it with your colleagues across the globe.

Additional copies are available for €200/US\$250 each.

AWA is the world's leading source for international market research reports and market data on the Paper, Film, Packaging, Coating and Converting sector. We provide you with the latest data on international and regional markets, key industries, the top companies, new products and the latest trends.
